Are you interested in participating in the Innovathon 2021? Sign up today!

Application deadline

Aug 20th

Hand in your application with a letter of motivation.

Assignment I

How does your own field of study directly or indirectly relate to the digitalization of mobility ?

Lecture block

Sept 14th - 15th

Introduction to digital mobility by lecturers from across UZH faculties. Hands-on input on interdisciplinary teamwork and innovation methods.

Assignment II

Understanding the digitalization of mobility from another viewpoint. In exchange with peers, describe a multidisciplinary viewpoint on digital mobility!

Innovathon

Sept 30th - Oct 2nd

Develop ideas for real life challenges provided by industry partners. Get feedback from field experts and present your solutions to the jury.

Support for innovative ideas

Together with the partners, innovative ideas developed during the Innovathon can receive further support.
